

Rebates are available for FEC members

One of the benefits of being a member of a rural electric cooperative is that of receiving rebates from FEC for appliances you purchase.

Rebates are available for dual fuel heat pump systems, ground source, or geothermal heat pump systems, electric water heaters, Energy Star dishwashers and Energy Star clothes washers.

A few simple guidelines apply, so give us a call before you buy. You can also check out the many services we offer on our web site at www.fec-co.com. 276760

If you have questions about the different types of heat pump systems give the Member Services Department a call at 1-800-279-0496 or 660-646-4281. Ask for Stan Hayward, Joe Hardie or

Steve Shoot.

The water heaters we offer are American-made, Bradford-White models. They have two inches of foam insulation around the tank and come with a good warranty.

The rebates are offered to you, our member, to make it financially easier to enjoy the benefits of using these money saving appliances.

Spray crews will be at these substations

Northeast Rural Services, a private contractor employed by Farmers' Electric Cooperative, is currently spraying FEC right-of-ways in the Chillicothe, Hale and Indian Grove substations. They will also be spraying the right-of-way areas for the Avalon, Stet and Polo substations before the end of the year.

UNCLAIMED CAPITAL CREDIT REFUNDS

Help us return money to these members...

The following members/former members have capital credit refunds due them. Checks mailed to the last address on file for these members have been returned by the Post Office. If you can provide a current address for a member listed below, or the name of an heir, if the party is deceased, please write or call Farmers' Electric Cooperative at 1-800-279-0496. Thank you for your assistance.
