

RURAL

M I S S O U R I

FEC's Tree Replacement Program.

Trees growing in power lines are the #1 enemy of service reliability. Let us remove that trouble-making tree and replace it FREE. This includes free planting by a professional nursery.

Choose from:

- Redbud
- Flowering crabapple
- Amur maple
- Washington hawthorn
- Green ash
- Pin oak
- Chanticleer pear
- Red maple, and more!

Call 1-800-279-0496 for complete details.
